## Who we are

**LM Yacht Support** is a seasoned company within the yachting sector, dedicated to bridging a crucial gap along the East Coast of Mauritius.

Our objective is to provide customized management services for high-end clients, ensuring safety and peace of mind aboard their yachts. We prioritize the maintenance of yachts to guarantee safety, performance, and longevity, preventing financial depreciation and frustrations from technical issues.

## Why choose us?

- Tailored Management
- Secure parking & renovation services
- Mobile Refuelling & launching
- Time-saving
- Expertise

## Tailored management: complete or one-time service

Whether you require long-term management or a specific intervention (repairs, maintenance, restoration), we adapt to your needs.

**Our rates are transparent and competitive.**

## Secure parking & renovation services

Take advantage of our spacious parking area in GRSE, featuring a direct launch ramp to the sea. We also offer renovation services, regular maintenance, and one-time interventions.

## Mobile refuelling & launching

Save time with our fast and efficient mobile fuel refuelling service. We also take care of launching your boat, ensuring you can set sail with complete peace of mind.
